Issue No. Three

## Presidents' Message

*Sharon Dunn and Janet Sperber*

As we usher in the fall season we are fast approaching some of our favorite events, the November craft at the General Meeting, where we keep our hands and glue guns busy making a seasonal item and our Holiday Luncheon which is always wonderfully festive. We are so excited to be able to celebrate together in person for the first time in two years. Our committees are hard at work planning these events and we look forward to seeing you enjoy them along with us.

Planning Holiday events means that our April Stroll in the Garden isn't far behind. We are putting together a committee for this Members Only day and already have secured a few gardens. A signup sheet will be passed around so please consider adding your name to join the committee or to have your garden on the stroll.

We have received two lovely notes from our scholarship recipients and they are worth taking a few minutes to read. They will be on our website soon. They highlight how valuable our scholarship program is to students who are pursuing careers in fields that we support with our programs. With your financial contributions, through events, you are not just having fun but helping our club's ability to continue our support of these deserving students. Thanks to all of you!

*Please stay well!*

## PROGRAMS

By Pat Martin

It will be an exciting fall for the garden club as we plan for our field trip to Rancho Guajome Adobe in Vista. For those interested in carpooling, we will be meeting at 11:00 on Wednesday, October 20th, across from the golf course along the parking strip on San Juan Creek Road. (The Adobe is closed on Mondays and Tuesdays, thus the change to a Wednesday).

Our tour is set to begin at 12:00, and there is a \$3.00 fee per person due at the entrance. The Adobe is located at 2210 N. Sante Fe Ave. off the 76 in Vista. Please Google for directions. Lunch suggestions will be mailed out as we get closer to the event. For those of you who wish to attend, please let me know no later than October 13th. If you can drive, please let me know.

Our November meeting at the club will include a fall craft. The supply fee for this is \$15.00, due no later than 11/1/21, so we can purchase the necessary supplies. For that fee we will provide: oasis for our DRY arrangements, moss, silk and dried flowers, leaves, pine cones, acorns, pods, berries and miscellaneous items.

You will need to bring:

- \* small pumpkin or 6 inch vessel
- \*A focal point center piece for your arrangement
- \*A glue gun, glue sticks and an extension cord (we will bring as many glue guns and extension cords as we can, but won't have enough for everyone)
- \*And anything additional that you would like to use to personalize your craft.

**TREASURER'S REPORT**

Nancy Cangiano

We are moving ahead so quickly in our monthly calendar! October's Field Trip and November's Craft are right on the horizon. I just wanted to remind all that the cost for November's Craft Supplies will be \$15.00. Many who signed up at the last meeting also paid then. If you are planning to participate and haven't paid, please send a \$15.00 check to me before November 1st..

The SJC Garden Club's address is:  
32158 Camino Capistrano STE A PMB 120  
San Juan Capistrano, CA 92675

I look forward to seeing many of you at the October Outing to Vista's Special Adobe.

**WHO DOESN'T LIKE FREE STUFF?**

*We have a 5' by 6' (approximate size) display ladder that one of our member's husband kindly built for one of our functions. It is unassembled and needs a truck to transport it. If you are interested please let Mary Crawford know as she is storing it at a friend's house. We have a deadline of October 7<sup>th</sup> (first come, first served) after which time we will have to dispose of it. You can see from the photo that it would be a good addition to your garden ... or ~~~*

*Thanks ladies- hope one of you or someone you know can use it!!*
