

## San Juan Capistrano Garden Club – April Project

### April Community Outreach Project

We have suspended Leck House, La Sala, and Playhouse beautification during this house bound time.

We can still outreach to our community and can involve all members who might be interested!

What fun it would be to create a painted rock and deliver it anonymously to a neighbor's garden....or in a community/shared area. It can offer a bright surprise for people walking alone! Imagine if we put more than one in an area....and the fun it would be to search out a painted rock!

PLUS, it will give each of us a creative outlet.

## San Juan Capistrano Garden Club – April Project

- It's pretty easy – choose any rock from your garden.
- Wash it and let it dry.
- Paint a design, a picture, or an encouraging word on it. You can use acrylic paint or permanent markers.
- Do you have a neighbor who is struggling or feeling low? Leave a little gift from your garden on her front porch!
- Remember how fun it was when you were little to find a coin or a pretty rock when on a walk? Imagine a tired family out for ANOTHER walk and finding a little gem like this!
- Check out [Pinterest](#) – there are HUNDREDS of samples of painted rocks from simple to true art works!
