

# San Juan Capistrano Garden Club

## COMMUNITY ENGAGEMENT

Membership dues allow our club to support a variety of activities for the benefit of our members and the community:

- ◆ *Obtain quality speakers for the enrichment and enjoyment of our membership and guests*
  - ◆ *Enhance our knowledge of gardens and the environment through field trips*
  - ◆ *Fund holiday treats for local seniors through our Sweet Stem Senders Program*
  - ◆ *Provide two horticulture scholarships each year through Saddleback College*
  - ◆ *Support at least one elementary school garden program to inspire junior gardeners*

However, membership dues might not cover additional important community activities, and therefore, selected special projects can be presented to the membership requesting their participation in separate fundraising campaigns.
